PROJECTS / OPEN-SOURCE

Amazon_Clone | Link   *HTML5,CSS3*

Developed responsive Amazon clone website using HTML/CSS. Implemented product listings, search,Utilized Flexbox/Grid. Optimized for various devices. Achieved visual and functional resemblance to original site.

My_Gallary | Link   *Html5 , css3 , vsCode*

I developed a responsive website featuring an image gallery using HTML and CSS. The gallery seamlessly adjusts to different screen sizes, providing an optimal viewing experience across devices. With intuitive design and fluid layout, users can easily navigate through a visually engaging collection of images.
